8) The Scheme is for the slum clearance on the land in front of Bharadwaj Tirtha Ashram on the Trunk road, Chamarajpet, Mysore. It is proposed to acquire it & keep it open after accommodating the dwellers in the sheds in the Agraharam elsewhere

9) The estimate for this work is not prepared amounts to Rs 31,600/- for purposes of Calculation the acquisition charge per sq yd is assumed at Rs 2/8/-. This area is situated in close proximity to New Telegraphet (Newspet) and other public institutions such as the Victoria Hospital, the City Market etc & maybe safely assumed that any day a sq yd in this place would fetch a minimum price of Rs ten per sq yd The rate now assumed is too low and the Govt would certainly award a higher rate of compensation The estimate is too low & is likely to be exceeded The Trust Board would have to foot the bill

10 It is proposed to acquire the land for slum clearance. A perusal of the sketch with file shows that there are about 63 tenements and they are all built of a substantial

distance from each other in some
methodical manner – (not at any rate
in a haphazard fashion although they may
be near but) It cannot be defended
[illegible] as a slum-area

11) Where the proposals appear, Having regard to the many which will be involved by the acquisition of the property it may not be desirable to keep it open also it can be put to some useful purpose e.g. Country Club Institute etc & that there may be a good return in the long run

12) A number of persons people are said to be living in these huts they would be put to unnecessary hardship by being asked to vacate it existing tenancies—If the scheme is to be approved, the Trustees will have to be deputed to find that they should first be provided with suitable [illegible] they should be asked to vacate.

13) It is also for consideration if this scheme if when clearance may not be put off in preference to those which are in the heart of the old city like Cattle Market & Mill Lane Chapel which are a menace to the health of the other inhabitants of the land area

14) Mr above facts are sent for consideration before the scheme & the estimates thereof are sanctioned

Sir,

SUB.- Scheme of Slum Clearance on the land in front of Sharada Stree Samaj

I have the honour to state that on the move of the Chairman, Board of Medical Officers, Combined Hospitals, Bangalore, requesting to reserve the vacant area opposite the Sharada Stree Samaj for the construction of 100 flats for accommodating the Doctors working in the Combined Hospitals, the City Municipality recommended the case to the Trust Board and submitted a report to Government in the matter Government in the Education Department in their letter No M 7794/Med 252-45-9 dated the 10th January 1947 asked for a report re the action taken on the recommendation of the Municipality with regard to the grant of the above land to the Medical Department for the construction of quarters.

2 The subject having been placed before the Board at its meetingsheld on 20-2-47 and 30-3-1947 passed finally the following resolution

> "That the area in question be acquired and kept open as a Scheme of Slum Clearance, thatthe dwellers in the Sheds may be accommodated in the Azad Nagar and elsewhere and that Government be written to accordingly "

A report was accordingly submitted to Government in this office letter No 2815 dated 18-4-47

3 Steps were then taken by the Board to have the plans and estimates prepared for the formulation of the Scheme in accordance with the resolution of the Board dated 30-3-1947 referred to above The Scheme was placed before the Board at its meeting held on 28-6-1947 when

it was resolved

"That the estimate for Rs 31,600/- in respect of the Scheme be passed and action be taken to notify the Scheme under Sec 16 of the City of Bangalore Improvement Act "

4 The Scheme was notified in the Official Gazette dated 24-7-47, 31-7-47 and 7-8-47 as required under Sec 16 of the City of Bangalore Improvement Act Copy of the notification was sent to the President, City Municipal Council, Bangalore, on 29-7-47 calling for any representations which the Municipal Council might think fit to make with regard to the Scheme as required by Sec 16 (1) (a) of the Act and to the Municipal Commissioner, City Municipality, Bangalore, and to the Deputy Commissioner, Bangalore District, on 23-7-47 for being put up in some conspicuous place of their offices, a copy of the notification being affixed to this Office Notice Board also for the information of the Public

5 No representation was received in this behalf from the President, City Municipality, Bangalore, within the month's time stipulated

6 As required by Sec 16 (11) of the Act, notices were served on 12-8-47 on Mr Hakim Abdulla who is said to be the owner of the property requiring an answer within 30 days from the date of service of notice whether he dissented or not in respect of the acquisition of the property mentioned in the notice

7 Two representations were received in this behalf One was from Messrs Haneef and Farukhi, Advocates on behalf of Mr Mahomed Ameer received on 12th August 1947 to say that their client was interested in the area, that there was a burial ground in the area, that he had not been served with notice, that the burial ground was a sacred and private one and at best, only a direction to the present management to put up a compound wall could be given The

second representation was received on 11-9-47 from Mr Hakim Mahomed Abdulla requesting for enhanced compensation

8 The total extent of land involved in this area is 8,093 Sq Yds Out of this, it is proposed to isolate the grave-yard, Durgas, and the temple by enclosing with suitable compound walls giving proper approaches to them and acquiring the remaining area of all huts and slums The area that will have to be thus left out will be 839 Sq Yds and the nett area required for the Scheme will be 7,432 Sq Yds The total cost of acquisition and Slum Clearance is estimated at Rs 31,600/-

9 The proposals were placed before the Board at its meeting held on 30-9-47 After consideration of the representations received from the two persons, viz , Mahomed Abdulla Sab and Ameer Sab, it was resolved

"That their objections were not tenable and that the Scheme might be submitted to Government for sanction "

10 I accordingly request that sanction of Government may kindly be obtained to the Scheme as resolved by the Board

The following enclosures accompany

1 The complete plan and estimate of cost in respect of the Scheme as approved by the Board
